Las Vegas, NV 89134-6206

Dear Senator Beers:

The NFIB/Nevada SAFE (Save American Free Enterprise) Trust supports reelecting legislators who support free enterprise in Nevada and recognize the vital role that small business plays in our state. We are the backbone of our state's economic and community life. On behalf of our Nevada members, I am pleased to say that your NFIB Voting Record of 100% has earned the Nevada SAFE Trust endorsement for your reelection this year.

NFIB/Nevada uses votes on issues of concern to family business owners and maintains a list of how every lawmaker votes on these issues. Your voting record reflects your solid understanding of the problems facing Nevada's small businesses and their families.

Actions speak louder than words in politics. Your track record on small business issues represents a commitment to help Nevada's most dynamic economic sector continue to lead the way toward greater economic growth and prosperity for all our citizens.

We've mailed our voting record to every Nevada NFIB member. I'm enclosing a copy for your office as well. I'm also enclosing a sample of a letter that was mailed to every NFIB business in your district. I'm also enclosing a contribution to your campaign. I hope that it will help in your efforts.

I wish you continued success in the upcoming election and look forward to working with you in the future.

Again, congratulations and thank you for your support of small business!

Sincerely,

Cheryl Blomstrom
State Director
