Re: Donation and endorsement

Dear Senator Beers:

On behalf of the members of the Peace Officers Research Association of Nevada (PORAN) please be advised that we are again honored to give you our endorsement.

Your personal and professional dedication to the law enforcement community, our professional peace officers, our families and the citizens of our great state, demonstrated by your years of hard work at the Nevada State Legislature, is highly appreciated.

PORAN's mission is to maintain a leadership role in organizing, empowering and representing the interests of rank-and-file peace officers:

To identify the needs of the law enforcement community and to provide programs to meet those needs;

To represent and protect the rights and benefits of peace officers;

To create an environment in which peace officers interact and work toward achieving common goals and objectives;

To conduct research, to provide education and training, to define and enhance standards for professionalism; to promote public awareness that encourages and maintains the image of a "Professional Peace Officer".

We look forward to working with you and for you during your campaign and during your re-election to the Nevada State Senate.

Please contact me at 775-830-8877 if you have any questions or if you or your campaign needs assistance.

Sincerely,

Ronald P. Dreher
Government Affairs Director – PORAN
