Dear Senator *Bob* Beers:

On behalf of the Southern Nevada Medical Industry Coalition, we are pleased to inform you of our decision to endorse your candidacy for re-election to Senate District 6. We're also pleased to have the opportunity of making a financial contribution to your Campaign.

We appreciate your years of service to Nevada and your commitment to the delivery of the highest level of health care possible to our citizens.

We also invite you to attend, as our guest, the fundraising event at the home of Orgill-Singer & Associates managing partner, and Henderson Chamber of Commerce President, David Dahan, on October 16. The event is at One Queensridge Place, 9101 Alta Drive, Unit 501. This will afford you the opportunity of personally meeting individual SNMIC members from all of the Task Forces in a very unique environment.
